

Stars, Stellar evolution, and Stellar Populations

Monday, December 1, 2025

Session 2: Star Clusters/Stellar populations (2:00 PM - 3:00 PM)

time	[id] title	presenter
2:00 PM	[11] Multiple stellar populations	DE GRIJS, Richard
2:30 PM	[12] Detection of Blue straggler stars in star clusters	D, Arvind Kumar
2:45 PM	[13] Investigating the disk kinematics of stellar populations in the SMC using GAIA DR3	S R, Dhanush
