

# Sun, Space Weather, and Solar-Stellar Connection

## Wednesday, January 22, 2025

### Shocks and Particle Acceleration and Transport in IP Medium (2:15 PM - 3:30 PM)

time	[id] title	presenter
2:15 PM	[77] Energetic Particle Acceleration and Transport: Interplanetary Coronal Mass Ejections and Shocks	MALANDRAKI, Olga
2:40 PM	[81] Connecting Energetic Electrons at the Sun and in the Heliosphere through X-ray and Radio Diagnostics	VILMER, Nicole
2:55 PM	[68] Suprathermal Ion Observations Associated with the Heliospheric Current Sheet Crossings by Parker Solar Probe	DESAI, Mihir
3:15 PM	[120] Time Evolution of Thermal and Non-Thermal Energies in Solar Flares	ROY, Soumya
